Other Operating Costs increase \$1,200 or 100.00% due to relocating to a new building and incurring garbage and snow removal costs. Utilities and Maintenance increase \$9,852 or 127.01% due to additional costs in electricity, natural gas, water, sewer, building, ground, plant, and office equipment maintenance costs due to moving the division to a new building. Legislative Affairs increase \$4,533 or 245.03% due to an increase in travel, training, dues, and publications. Other Administration and Overhead increases \$311 or 1.78% due to increases in insurance and other professional fees, which is partially offset by a decrease in office supplies.
